REQUEST FOR CONSIDERATION OF DOCUMENTS
CITED IN INTERNATIONAL SEARCH REPORT

Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

In the matter of the above-identified application for patent, notice is hereby given that applicant(s) request that the Examiner consider the documents cited in the International Search Report according to MPEP §609 and so indicate by a statement in the first Office Action that the information has been considered. When the Form PCT/DO/EO/903 indicates both the search report and copies of the documents are present in the national stage file, there is no requirement for the applicant(s) to submit them (1156 O.G. 91 November 23, 1993).

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.

Translation of Category of Cited Documents in the attached foreign language Search Report:

- A: It is not a reference with a special relation but shows a general technical level.
- E: It is a prior art, however it was disclosed after the international application date.
- L: It is a reference for raising arguments in priorities claimed or a reference for establishing the publication date of other references or other special reasons (with reasons).
- O: It is a reference mentioned in oral presentation, usage, display, etc.
- P: It is a reference disclosed before the international publication date and after the application date on the basis of which priority is claimed.
- T: It is a reference disclosed after the international publication date or priority date, is not contradictory to the application, and is cited to understand the principle or theory of the invention.
- X: It is a reference with a special relation and it is considered that there is no new creation or progress of the invention by only said reference.
- Y: It is a reference with a special relation and is considered that there is no progress by a combination of said reference and one or more other references, which is evident for the parties concerned.
-
- &: It is the same patent family reference.
